

11 January 1964

MEMORANDUM TO: Mr. Dulles

1. I doubt the wisdom of your participating in this proposed TV program with Mrs. Roosevelt. As she states, her panel will be composed of four guests of varying points of view. We do not know who these guests will be. Mrs. Roosevelt, as the liberal leader of the Democratic Party who is a controversial figure, might have some extremists who might say something that would later reflect on you since you will be associated with Mrs. Roosevelt as one of the leading principals of the program.

2. Were it merely a program in which you and Mrs. Roosevelt would appear, there would be no objection, but when you know there will be panelists of varying opinions on the program, and knowing Mrs. Roosevelt's liberal ideas, I would recommend that you decline this one.

3. NEW SUBJECT:

I am attaching herewith a copy of the January issue of ATLAS. Pages 77-78 contain the article I spoke to you about.

STANLEY J. CROGAN
Assistant to the Director
